Things to Note

Basic

- Price is subject to change.
- Price is based on the 'Base' Category of Hotel Room/Airlines Seats/Ferry Seats. This is Irrespective of the Package Category Chosen. Upgrade to Higher Category is available at an extra cost.
- All domestic Hotels/Transport rates are based on current tariff and subject to change without prior notification; the revised rates will be charged extra., Many regions do not have star category hotels. Hotels in Andaman are less on amenities if compared to a similar category in Indian Metros. Generally there isn't any star categorization in this sector too, however, the same is demarcated as per prices and put into slabs of 2*/ 3*/ 4* or BUD/STD/ PRM/ DLX or equivalent. Accommodation is provided in Mentioned or Similar Hotels.
- In Andaman, 0800 hrs early morning is the usual check-out time for around for most hotels. For early check in /late checkout / extending of stay, subjected to the availability.
- Only 01 extra bed/mattress is allowed per room. This extra bed means a Mattress / Roll Over.
- All special requests like early check-in, smoking, nonsmoking, views, floors, king, twin, adjoining and/or interconnecting rooms are strictly subject to availability upon arrival and cannot be guaranteed prior. Any expenses arising out of this is to be borne by the customer.
- In case of guests cannot climb the higher floors, we request you to update this at the time of booking so that we may take appropriate action and try for rooms in the Ground floor. This is again subject to availability and difference if any will have to be settled directly before check out. Consumption and serving of alcohol in hotels / rooms is subject to hotel's rules and regulations.

Transportation

- Vehicles are used as per the itinerary and cover the mentioned sightseeing only. Extra Sightseeing on extra charges.
- Vehicles are Limited and the SUVs (Xylo, Ertiga, Scorpio, Innova) are mostly provided. Other Vehicle types are available like Sedan, Tempo, Coaches but much less in numbers. We Use AC Vehicles but sometimes due to heavy tourist rush, Non-AC vehicles may be used.
- Vehicle Transfers are primarily point-to-point. Same vehicle and Driver do not stay with the guest for the entire tour. This doesn't matter much as the

driving distances in Andaman are very short between any 02 sightseeing points esp. in the most common itineraries. Just Keep in mind, as the vehicles and drivers change always, we will request you to be very careful with personal belongings. Ferries: On priority we use Inter-Island Ferries between 03 island (Port Blair, Havelock, Neil) operated by Private Companies (Makruzz, Green Ocean, Coastal Cruise, Sea Link)

- The sailing of private ferries is subject to weather conditions. In case of bad weather or technical issues, the ferry operator will arrange alternate travel on a government ferry. Government ferries are heavier and slower (taking approximately 2.5 hours between Port Blair and Havelock, compared to 1.5 hours for private ferries).
- Interestingly, many guests enjoy government ferries as well — especially for their open decks and panoramic views. Some even request them in advance!
- However, in extreme weather situations such as cyclones, even government ferries may be cancelled for safety reasons. These decisions are made by the ferry operators and concerned authorities keeping passenger safety as the top priority.

Incidental Charges due to Unforeseen Situations

- In Scenarios beyond Our Control - Force majeure/ traffic jams / traffic halts/ diversions/ bandh/ curfew, Union strike, VVIP movement, etc. - We will request you to bear with us the situations beyond our control. We will arrange for alternate sightseeing. In case of discontinued itinerary due to these reasons no refund on the hotel booking will be provided and alternate accommodations (as per availability) are managed in the place where you have to stay back. While it is our endeavor to manage the alternate arrangements during such scenarios, please note the difference may be charged for the same.

The Risk for Any Activity is that of the Guest undertaking it., Weather, Rains and Cyclones in Andaman: Andaman is a Tropical island, with temperature averaging between 23 - 32 degrees year round. This feels pleasant under the shade of coconut groves with cool breeze from the lagoons and sea. Being Tropical, rains is difficult to predict. So light showers anytime of the year is no surprise. Cyclones may disrupt ferry movements any time of the year and not necessarily monsoon. In case of discontinued ferries, no refund will be provided for the booked arrangement but we do manage the alternate sightseeing and accommodation based on availability (Extra charges may apply).
- Being Responsible and a Better Guest in Someone else's Land While some of the pointers require Self-awareness, some actually are strictly prohibited.
